

WELCOME!

Welcome to Beeston Festival 2021!

We hope you've come prepared, as there is lots to do right across Cross Flatts Park today.

If you've been to Beeston Festival before you'll be expecting entertainment, good food, activities for children and young people and a fun fair. We've got all that, and more!

We're delighted to welcome back Bowland Farm, York Birds Of Prey Centre, SMJ Falconry & Ferret Races and the Donkey Sanctuary. All bringing live animals to our park.

Thank you to the dozens of local volunteers who help run Beeston Festival! It's not too late to get involved: head to the Information desk if you want to pitch in - help clearing down after the event is especially useful. Or get in touch to help next year. Beeston Festival is organised by a committee of local volunteers: get in touch if you'd like to join us.

Finally, thanks to all our sponsors and funders, and thanks to you for coming: we hope you enjoy yourselves!

COVID SECURITY

The Covid virus is still circulating and whilst vaccination is protection against hospitalisation, you can still catch Covid and pass it on even if you have been vaccinated.

The main form of transmission is airborne, so social distancing is still important.

The Festival is going ahead because it takes place outdoors, which is safer than enclosed spaces, but please be careful in crowded areas, respect other people's space and consider wearing a mask.

We encourage festival goers to:

- Take a lateral flow test before coming
- Check in with the NHS app
- Use hand sanitiser stations
- Wear a mask in crowded areas
- Respect other people's decisions to wear a mask

If you don't feel well or have any Covid symptoms, please don't attend the festival.

- A high temperature
- A new continuous cough
- Loss of taste or smell
